

# Gaetano Fontanazza

guitarist, producer, composer for media

## INFO

Italian guitarist, producer, and composer for media, fond with singing bowls and gongs, deals especially (but not only) with ambient, electronic and experimental music, since the eighties.

His music reveals his explorer attitude, delivering to the listener a wide palette of emotional sounds and shades. From bright light to dark void, from still sonic textures to wild rhythmic and loud mayhems, from delicate melodies to glitchy atmospheres.

Founder of various side projects dealing with different styles of music and genres, his music has been used as soundtrack in awarded short movies, TV programs, events and creative livesets.

In his recent commitment to music for media he produced several music in different styles and genres for different purposes. Orchestral, Cinematic, Pop, Emotional, Intimate, Tension, Epic etc.
